

Haslam College of Business Transfer Credit Database

This document serves all students in the Haslam College of Business who are interested in studying abroad with affiliate, exchange, or direct enroll programs.

You can use this document as a guide for coursework that is available to you in various study abroad locations and programs. It is a list of courses that we have previously approved as transfer credit back into the university.

Please note that this is not an exhaustive list of available coursework for business students abroad. Additionally, students will have to get all of their coursework approved for their own degree plan. It is not guaranteed that the coursework would be transferred in as the same credit, depending on your major and catalogue year.

If you have any questions about pre-approving coursework, please email haslamabroad@utk.edu.

-Your Haslam College of Business IPSA Team
